

State Meet

Laura and Matt will leave Mill Creek promptly at 4:00 on Friday, November 6th for the State Meet. They will run for 20 minutes directly after school (at the high school) with all teammates willing to go for an easy 20 minute jog with them. This is not only to get loose for the race the next day, but also a team send off.

We will stop for dinner on the way down before resting our heads in Ann Arbor. Saturday morning we will be in the car by 7:30 so that we can arrive at the Michigan International Speedway by 8:30. This should give us plenty of time to park, get our race packets and check out the course.

Race times:

- Girls Division 3- 10:30
- Boys Division 3- 11:30

The Baileys are putting together a tailgate gathering for all who come to watch Matt and Laura race. If you know you are coming, please let the coaches or Baileys know so that we can plan food accordingly. If you are willing to bring something that would be great as well.
